

2001-2002 Direct Loan Technical Reference

File Naming Conventions

November Release

Note: When putting together your technical reference, use the following table. The book should be assembled in the order shown below.

- The first column indicates the document's order.
- The second column indicates the electronic file name for each section.
- The third column indicates the sections that are affected by the most recent update (November 2000).
- The last column gives a brief description of the section.
