054	Y		You reported a "2" in response to "Drug Conviction Eligibility". This indicates that you are currently ineligible for federal student aid but may become eligible during this award year. This means that your ineligibility period ends on or after July 1, 2000 but before June 30, 2001. You should contact your FAA when your ineligibility period expires, so that he or she can determine if you may receive federal funds during the 2000-2001 award year.
055	Y		Your denial of benefits under the Anti-Drug Abuse Act of 1988 has been resolved and processing of your student aid application may continue. However, you must submit documentation to your FAA from the Department of Education's Drug Enforcement and Compliance Monitoring Office that shows what aid you may be eligible to receive.
056		19	We cannot process your application because our records indicate that you are currently being denied aid from one or more Title IV student aid programs by court order under terms of the Anti-Drug Abuse Act of 1988. If you wish to contest this finding, contact the Specialist for Drug Enforcement and Compliance Monitoring, U.S. Department of Education, 202-260-9988, within 30 days after the date you submit this ISIR to your school.

History Correction Test Cases

To better assist in testing the history correction process, 10 of the 50 test ISIR records, which you can receive from the Central Processing System (CPS), have been run through the CPS compute process. The following history test cases can be used as stand-alone corrections (those without an ISIR on file) or corrections to the corresponding ISIR in the test file. Use the following correction cases to test the history correction process with the CPS or to test vendor software correction processing:
