143			Your citizenship status has been confirmed by the Immigration and Naturalization Service (INS), and you meet the citizenship requirements for federal student aid.
144	Y		The Immigration and Naturalization Service (INS) did not confirm your statement that you are an eligible alien noncitizen . You must submit proof of your alien noncitizen eligibility to your school within 30 days after you receive this ISIR . If you fail to submit proof within 30 days, or longer if your school allows , you may be found ineligible for federal student aid.
145		8	According to Social Security Administration (SSA) records, the social security number you provided belongs to a deceased person. If the social security number you reported is incorrect, you should correct your social security number in Step One on your ISIR or contact your FAA. If the number in Step One is correct, you must contact an SSA office to resolve this problem.
146	Y		We sent your application to Social Security Administration (SSA) to verify your citizenship status. The SSA did not confirm that you are a U.S. citizen. You need to provide your school with documentation of your citizenship status before you can receive federal student aid. If you are an eligible noncitizen, you must correct "Citizenship Status" on this ISIR and provide your Alien Registration Number.
147			You reported that both of your family members are in college. We have assumed the number in college should be one because your parent should not be included in the answer to this question.
148			You reported the same value for number of family members and number in college. We have assumed the number in college should be one. Your parents should not be included in the number in college. Review your answers to number of family members and number in college and make any necessary corrections.
