

2003-2004 Electronic Data Exchange (EDE) Technical Reference File Naming Conventions and FSADownload Posting Order

Note: When putting together your technical reference, use the following table. The book should be assembled in the order shown below.

- The first column indicates the document's order.
- The second column indicates the electronic file name for each section.
- The third column indicates the sections that are affected by the most recent update.
- The fourth column gives a brief description of the section.
- The fifth column indicates the number of pages.
- The last column indicates the file size.

Order	File Name	April Release	Description	Page Count	File Size
1	Track log 0304 EDE TR Apr 03.pdf	Yes	Detailed listing of the page numbers and the changes to that page	1	88 KB
